MEDICINAL.
Every day brings its
fierce, unceasing con-
duct; every night leaves
its multitudes of dead
and dying. The horrors of war are no
greater than the horrors of disease. If all
the nations of the earth were at war against
each other there would be no such carnage
wrought within the year as that which is
accomplished annually by one dread disease—
Consumption.

And yet this most fatal of all diseases is
not without its remedy. It is no longer the
irresistible destroyer that it was considered
thirty years ago. An entirely new aspect is
put upon the possibilities of this dreadful
malady by the astounding remedial action
of Dr. Pierce's Golden Medical Discovery,
which cures consumption by nourishing the
lungs with an abundant supply of pure,
highly-vitalized blood.

This stops the formation of tuberculous
matter, and builds up fresh tissue, muscular
flesh and vital energy. It gives digestive
power to the stomach which is too weak to
assimilate oily emulsions.

Miss Lucy Kloeffer, of Armada, Mich., writes:
"When I was about eight years of age I had in-
flammation of the lungs, and from that time I
was sick nearly all the time and had a doctor
nearly all the time. I would take cold so easily I
would go right to my lungs. At the age of nine-
teen I was very bad; there was pain in my lungs,
tickling in my throat and my throat was stuffed
with mucus; there was hoarseness and partial
suppression of voice, and difficulty of breathing. I
doctored with one of our best physicians and he
said he could not help me and just prescribed cod-
liver oil and told my mother I could not live longer
than three months. I kept getting weaker every
day, when a friend asked me why I did not
try Dr. Pierce's Golden Medical Discovery. I
thought there was no use, no more help for me as
consumption was my family. My father and
also my sister died with it, but after taking the
first bottle I seemed to feel better. My appetite
was better and I kept right on taking it, with a
bottle of the 'Pelle's' once in a while, and I felt
real well. Before taking it, I weighed one hun-
dred and ten pounds, after taking it, one hundred
and thirty. I have not had a cough since this winter."

Household Gods.

The ancient Greeks believed that
the Penates were the gods who attend-
ed to the welfare and prosperity of the
family. They were worshipped as
household gods in every home. The
household god of to-day is Dr. King's
New Discovery. For consumption,
coughs, colds and for all affections of
Throat, Chest and Lungs it is invalu-
able. It has been tried for a quarter of
a century and is guaranteed to cure, or
money returned. No household should
be without this good angel. It is pleas-
ant to take and a safe and sure remedy
for old and young. Free trial bottles
at E. L. Allen's Drug Store. Regular
size 50 c. and \$1.00.
